

TO DAD WITH LOVE:

A Tribute to Buddy Ebsen featuring Kiki Ebsen

a multimedia touring show of music and memories

As a veteran singer-songwriter and accomplished musician who's toured internationally for 20 years, Kiki was inspired to record and release the CD, "Scarecrow Sessions," in tribute to her father's vast career. Its debut was in time for Father's Day. Songs from this album provide fans new insight into Buddy's talents as a dramatic actor as well as accomplished dancer. Response to "Scarecrow Sessions" was so strong that she, along with brother Dustin, have created this showcase of personal stories and beautiful photo memories and magical songs in tribute to one of America's most beloved true pioneers of the entertainment industry.

Actor Buddy Ebsen was perhaps best known for his television roles in the 1960s and 1970s. His fans, however, may not know as much about the first 30 years of his career, as a dancer on Broadway, and in early films. Were it not for fate, American children would have had 75 years to enjoy him in the role of the Scarecrow in "The Wizard of Oz." It was the role of a lifetime, but it was also the one that got away.

"Kiki Ebsen's graceful performance was packed with an emotional punch that knocked us out of our seats. The subject matter focusing on "father" is profound to us and we were engrossed with her story that was exquisitely directed. Kiki's smooth velvety voice, topped with historic and meaningful imagery on the screen and backed by her remarkably brilliant trio was a delight for the senses. This powerful and unforgettable show is something we want to bring back."

"Everybody knows Buddy Ebsen. I don't think there's one of our listeners who doesn't like Buddy Ebsen! I don't think anybody could ever say that."
